The **Arts Collective at ArtRageUs1** is a group of creative individuals working collaboratively in Brattleboro to support the marketing and sale of our work. We feature the talent of local folks -- handmade items by local artisans; interesting books by local authors; and intriguing music by local musicians – in our downtown Brattleboro store as well as online – ArtRageUs1.com. Our goal is to showcase the wealth of talent in our area through the sale of quality goods, returning 75-90% of the purchase price back to the creator.

Requirements: Members must be accepted into the Collective and preferably live within 50 miles of Brattleboro; personally create the items for sale in the store; commit to the collective for a minimum of one year; pay the fee, the commission, and assist in the selling of their work; and read, understand and adhere to the *Guidelines*.

Costs: **Authors** and **Musicians** pay a one-time \$10 application fee and then 10% commission on all sales. (There is no work obligation, but volunteering your time is greatly appreciated.) **Artists** pay \$40 per year with a 25% commission on all sales and a 30-hour work obligation *per year*. However, to encourage a broader membership of artists and low pricing, we offer the following discounts for Artists:

- Artist Members offering **only items priced under \$250** will pay \$30 per year with a 20% commission rate and a 24-hour per year work obligation.
- Artist Members offering **only items priced under \$25** will pay \$20 per year with a 15% commission rate and a 18-hour per year work obligation.
- Artist Members offering **only items priced under \$10** will pay only \$10 per year with a 10% commission rate and a 12-hour per year work obligation.
