We are a group of creative individuals working collaboratively in Brattleboro to support the marketing and sale of our work. We feature the talent of local folks -- handmade items by local artisans; interesting books by local authors; and intriguing music by local musicians – in our downtown Brattleboro store as well as online. Our goal is for the members to make as much money as possible while keeping the collective sustainable.

Requirements: Members must be accepted into the Collective, and: Preferably live within 50 miles of Brattleboro. Personally create the items for sale in the store. Commit to the collective both functionally and financially for a minimum of one year. Pay the fee and the commission. Photograph, describe, price and label each item you have for sale in the store and online. (We can help you do this.) Read, understand and adhere to the *Guidelines* and *Operating Procedures*.

Costs: **Authors** and **Musicians** pay \$10 per year with a 10% commission rate and *no* work obligation. **Artists** pay \$50 per year with a 25% commission rate and a 48-hour work obligation per year. However, to encourage a broader membership of artists and low pricing, we offer the following **discounts for Artists:**

- Artist Members offering **only items priced under \$250** will pay \$30 per year with a 20% commission rate and a 36-hour per year work obligation.
- Artist Members offering **only items priced under \$25** will pay \$20 per year with a 15% commission rate and a 24-hour per year work obligation.
- Artist Members offering **only items priced under \$10** will pay only \$10 per year with a 10% commission rate and a 12-hour per year work obligation.
